

Eating Out Guide

Eating out is one of the highlights of every holiday and we are often asked by our guests to recommend places to eat. That's why we've compiled a guide to restaurants in the local vicinity that both we and our guests have tried and enjoyed.

We hope you will find it useful, and would love to hear your feedback. Please write on the back of the guest comments form and let us know your experiences, at these restaurants or any others you may have tried during your stay so that we can add to this and help our future guests get the most from their dining experiences.
